Faversham Community Boat Build

Important Information for Participants

We want this project to be a fabulous experience for everyone who gets involved, so please read the important information below to make sure you understand what you're getting into!

- Up to 45 workshop slots, each of which are two hours long, will be made available each week. **To book a slot, contact alan@cinqueportsrowing.org.**
- We cannot guarantee a workshop session will be available at a time to suit you as sessions are booked on a first-come, first-served basis.
- We expect the project to last approximately six months.
- We warmly invite people of all ages, backgrounds and experience levels to get involved.
- There is no minimum requirement for participation – book sessions as and when you can.
- Please don't visit the Purifier without booking a workshop slot as it may not be possible to safely supervise everyone.
- It is our intention that the St Ayles Skiffs built as part of this project will be made available for use by the local community, but will remain in the ownership of Cinque Ports Rowing CIC or other individuals or organisations that we agree to, on condition of the boats being made available for use by the people of the town.
- The Purifier Building can be COLD! Please make sure you wear suitable clothing and sturdy footwear.
- We are unable to provide refreshments; however, you are welcome to make use of the kitchen facilities in the building!
- Parking is limited at the Purifier Building, please don't bring a car unless you have to. Be wary of Morrison's parking restrictions – we cannot pay parking fines for you, sorry!

Health & Safety

- The Purifier Building and Shipwright's Hall are live workshops, hazards may include:
 - Uneven floor and tripping hazards
 - Sharp tools
 - Heavy tools, timber and other items
 - Fumes from paints, varnishes
 - Dust and particles of wood
 - Flammable materials
- It is vital that you observe Health & Safety regulations and follow safe practices at all times.
- The tutor's Health & Safety directions must be followed for your safety and the safety of others.
- If you feel unwell during a session, please notify your tutor immediately.
- Please familiarise yourself with fire exits and muster points.

Please sign below to confirm:

- Your consent to us holding personal information and contacting you as detailed on the previous page.
- Your awareness and understanding of the information provided above
- If signing on behalf of a child (under 18), that you give consent for their participation in Faversham Community Boat Build.
